ABOUT THE COLLEGE

Sri Sairam Engineering College (SSEC) is an ISO 9001:2008 certified and NBA accredited Institute. The College was established in 1995 by MUF. Lt. Leo Mathru, Chairman of Sapphatauri Educational trust. The College is well equipped with laboratories imparting quality technical education to Engineers with the spirit of service to the society. The College is located at Sat Leo Nagar, a sprawling campus of 200 acres, providing a perfect learning environment.

COURSES OFFERED

Under Graduate
B. E. - Instrumentation and Control Engg
B. E. - Electrical and Electronics Engg
B. E. - Electronics and Communication Engg
B. TECH - Information Technology
B. E. - Computer Science and Engg
B. E. - Mechanical Engg
B. E. - Civil Engg
B. E. - Electronics and Instrumentation Engg
B. E. - Production Engg

Post Graduate
M. E. - Computer and Communication
M. E. - Communication Systems
M. E. - Computer Science and Engg
M. E. - CAD/CAM
M. E. - Embedded Systems
M. E. - Power Electronics and Drives
M. B.A. - Master of Business Administration
M. C. A. - Master of Computer Applications

ABOUT THE DEPARTMENT

The Department of Instrumentation and Control Engineering is equipped with the state-of-the-art facilities and has well equipped laboratories in the related fields. The Department consists of qualified, dynamic and committed faculty members. The students of our department have innumerable achievements namely rankings from university, gold medals and national award winning projects.

ABOUT THE CONFERENCE

The focal theme of the conference is to improve, innovate and instilluate latest technologies in the field of Instrumentation and Control.

In this regard the National conference NCICSAT'13 paves a good platform for mutual sharing of knowledge among the bright and young minds to bring to light the latest trends in all fields related to Instrumentation and Control Engineering. This conference is thus intended for discussions on the state-of-the-art and new areas of Research and Developmental activities relevant to the needs of Industry and society.

The areas of interest includes, but not limited to the following:
1. Advanced Process Control and Instrumentation
2. MEMS and Industrial Sensors
3. Industrial Automation
4. Fault Diagnosis and Reliability
5. Biomedical imaging techniques
6. Advanced embedded systems and its applications
7. Computer networking and Industrial security
8. Industrial electronics and drives
9. Communication networks and applications
10. Virtual reality applied to Instrumentation

REGISTRATION FEES:

1. Industry Participants : Rs. 1000-
2. Research Scholars : Rs. 800-
3. PG/UG Students : Rs. 600-
